SECTION 2 PRODUCT

Product Identification

Product Name	Eco-Core White Birch Multiply pre finished with Clear Melamine Foil
Timber Species	Russian Birch Plywood
Description	Eco-Core White Birch Multiply is an E0 certified multi-layer panel using thin cross bonding veneers approximately 1.4mm thick. It is durable and easily workable with a wide range of applications for interior use. It is available pre-finished with smooth clear melamine foil. Clear Melamine Foil is far superior to most polyurethanes as it is more durable, is easy to clean and suitable for applications where heavy wear is expected.

SECTION 3 SIZE

Panel Size	2440mm x 1220mm x 7, 10, 13, 16, 19, 25, 31mm AB/BB re-veneered one good face/downgrade back with clear melamine on both faces one good face/downgrade back (the downgrade back melamine foil will have slight imperfections.)
	2440mm x 1220mm x 10, 13, 16, 19, 25, 31, 36, 41mm AB/AB re-veneered good both faces with clear melamine good both faces.

SECTION 4 CONSTRUCTION

Construction	AB/BB and AB/AB sheets are re-veneered with interior grade glue, exterior grade can be requested
---------------------	--

SECTION 5 COLOUR

Core	Light outer faces, light tan to dark tan inner core, smooth outer finish.
-------------	---

SECTION 6 GLUE

Glue	Phenolic glue, formaldehyde free PVA glue (interior grade)
-------------	--

SECTION 7 DENSITY

Density	Approximately 700 - 720 kg/m ³
----------------	---

SECTION 8 ENVIRONMENT

Environment	E0 Certified
--------------------	--------------

SECTION 9 APPLICATION

Application	Typical applications include joinery work, desk tops, bench tops, shelving, furniture construction, storage and more.
